My dearest in the Lord:

Season's greetings to you in the name of our Savior and Lord Jesus Christ. By His grace and mercies, the Lord's work is progressing in our Ministry. The Lord has been using people like you to move in His power and anointing against the enemies of righteousness. For this, we thank God and thank you in Jesus name.

It has become imperative to reach out to you again for your financial support of our new initiatives in the Lord. We have recently embarked on an aggressive evangelism and outreach campaign to move the gospel of Jesus Christ to the lost in our local territories as well as territories outside our area including abroad. The Bible enjoins us in Acts 1:8 to be witnesses unto Him in Jerusalem, Judea, Samaria and unto the uttermost part of the earth. That is to say, we must take the gospel of Christ to all souls near and far. This we cannot do without the inspiration of the Holy Spirit and the support of elects like you. We are asking for a "free-will" cash contribution of any amount from all our supporters to carry out this initiative that comprises of advertisement in newspapers, radio, Christian Magazines, and printing of brochures and flyers. We are also earmarking part of the proceeds for the purchase and installation of video cameras to enable us complete our "live broadcast" project via the internet, a project that is near completion. There is also a need to purchase and install projectors and screens in our sanctuary for praises and worship of our Savior and Lord Jesus Christ.

I want to plead with you and remind you that this is about Jesus. It is about reaching lost souls for Christ. It is also a cry for help from a Ministry of Christ that is in need. The Bible commands us in Luke 6:38 to give, and it shall be given unto us; good measure, pressed down, and shaken together and running over shall men give unto our bosom..." Your support will no doubt bring you a thousand-fold blessings in Jesus name.

It is my earnest prayer that the Lord will minister to our hearts to accept His plea for help so we can freely and willingly support this course. You can send your contribution/donation through either of these channels below:
